

P288 String Theory

Not a lot of models could pull off wearing this super-skimpy bikini.

Your figure has to be "perfect", as do your posing skills.

Not only does Jess pull it off, she does it with savoir faire.

Picture her wearing this sexy ensemble descending the staircase of the Hotel de Paris in Monte Carlo, headed for the beach.

In movie logic anyway, say a Bond film, it's totally believable.

She looks just THAT glamorous!
